Style Name: Primary Set

Creative palettes:

I use an old candy tray (hard plastic). I also use old plates, plastic egg carton OR freezer paper has a shiny side that works!

You may be thinking ...why do I have to buy gouache when I have all these other paints? This paint is the purest color out there. This is imperative for color mixing and learning. Most illustrators use these very same paints because of their pure color and vibrancy. I guarantee you will fall in love!

Paper

Canson XL Series Watercolor Textured Paper

Brushes

Creative Inspirations Dura-Handle Artist Paint
Brushes Long Solid Resin Handle Resists
Chips & Cracks - Mixed [Set of 4]
by Creative Inspirations

Any watercolor paper or brushes will do. This is what I recommend if you need to buy something.

Miscellaneous

- Three water containers for cleaning brushes
- paper towels
- pencil and eraser (prefer gummy)
- ruler
- Round bowl to help you draw a perfect circle (cannot be wider than your paper)
